**Stands Mute on Murder Charge**

Jack Edgar Rice, 25, of Beaver Creek Township, stood mute in 46th District Court on a murder charge stemming from a shooting incident September 28th that resulted in the death of John Messenheimer, 23, of Grayling. No trial date has been set.

**Benefit Dance at Frederic, Oct. 21**

The committee for the Jeff Osga Benefit Fund will be holding a dance Saturday, October 21st at the Frederic Sportsman's Hall, from 8:00 till 12:00 p.m. A donation of \$2.00 per person will be collected at the door.

We will be dancing to music by the AuSable River Band. They have generously donated their time for this event.

They do a fine job, so come one, come all and join in the fun.

Minors under the age of 18 will have to be accompanied by a parent or guardian after 10:00 p.m.

Spread the word around kids, and I'll see you there.

**CPR Film Showing at G.H.S.**

**Changed to Friday Night, October 20th**

The American Red Cross Cardio-Pulmonary-Resuscitation film originally scheduled for Thursday night, October 19th has been rescheduled for 7:00 p.m. Friday night, October 20th at the Grayling High School Auditorium.

Everyone is invited to see this 30 minute sound movie demonstrating the procedures for artificial resuscitation to an individual who has stopped breathing or whose heart has stopped beating.

There is no charge, of course, and the film is presented as another service of Crawford County Chapter/American Red Cross.

**Homecoming Week at GHS**

The theme for this year's GHS Homecoming, during the week of October 16th through 21st, is the "Wonderful World of Walt Disney". The daily activities throughout the week involve competition between the Freshman, Sophomore, Junior and Senior classes. The winner of each event gains points that will be totaled toward the goal of winning the 1978 "Spirit Cup".

Activities featured throughout the week are the Ugly Leg contest, an Apple Bob, a Costume Day on Tuesday, a Balloon Toss, a Volkswagen Stuff on Wednesday; a Pyramid Building on Thursday, and a Spirit Assembly and Tug-of-War on Friday.

The weekend activities will start with a Snake Dance at 7 p.m. on Friday evening beginning at the Court House, and winding its way through town to the football field. The Snake Dance is led by the band and cheerleaders.

Saturday morning the Homecoming Parade will begin at 10 a.m. originating at the Court House parking lot, and finishing at the football field.

The day is highlighted with the football game, the Grayling Vikings vs. the Rogers City Hurons at the Viking field at 1:30 p.m.

Halftime activities will be highlighted by the crowning of the 1978 GHS Homecoming King and Queen, and the announcement of the winners of the Float Competition and the "Spirit Cup" competition. The week culminates with a Homecoming Dance at the high school from 9 p.m. until 1 a.m.

**Rotary Sponsors Student Exchange**

The Grayling Rotary Club is sponsoring an international student exchange service for the benefit of pre-college youth. The program has a two-fold purpose:

1) To promote international good will and understanding at the person-to-person level, and

2) To provide the opportunity for study and international living abroad for a period of one full year.

To be eligible a candidate must be a sophomore at the time of application and be not under 16 and not over 17 years old at departure.

Interviews will be held during the week of October 23rd. Further details may be obtained from Kent Reynolds, High School Principal, telephone 348-7641, or John Sojka, Student Exchange Chairman, telephone 348-7352.

**Republican "Coffee Break" Thursday**

William S. Ballenger, III, presently Director of the Michigan Dept. of Licensing & Regulation, will be in town supporting Governor Millikin's reelection campaign this Thursday when local residents are invited for coffee at the Chief Shoppengren Hotel from 2:30 to 4:00 p.m.

Ballenger also serves as the Governor's consumer coordinator in the executive branch of state government and chairs the Governor's Consumer Protection and Regulatory Cabinet.

Area Republicans and all other interested parties are urged to attend.

Tickets for both performances are available from all Rotary Club members. (Joe Schrader Photo)

## Hospital Drive Tops 40% Mark

This is the ninth in a series of articles depicting the events associated with the Fund Raising Campaign of Mercy Hospital, Grayling.

Pictured is the Mercy Hospital Director of Maintenance, Clifton "Kip" Papendick, adding some more "dollars" to the Fund Drive Tote-Board located just outside the Hospital entranceway.

by Joe Schrader  
Construction work continues on Mercy Hospital's expansion program, an \$8 million project designed to vastly improve medical services to the six-county area the facility serves. According to campaign officials, a grand total of \$220,000 has been pledged towards an area goal of \$500,000. The balance to be financed by the Michigan State Hospital Finance Authority.

According to Campaign Officials, work is still actively underway in all the counties served by the hospital which includes all of Crawford.

Warning  
Inactive Duty Training will be conducted by units of Michigan Army and Air National Guard during the period 28-29 October 1978.

The various ranges located at Camp Grayling will be utilized during this period. The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during the period 18-21, 24-28 and 31 Oct. 1978.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

## Gal Joins Sheriff Department Ranks

by Joe Schrader

"Nothing unusual occurred at all when I first pulled a car over." Those were the words expressed by Jean Callewaert, Crawford County's first road patrolperson. Although she's employed on a part-time basis now, Sheriff Curt Haas hopes that she'll be employed on a full-time basis in the next few months.

"I've been fortunate," commented Jean in a recent interview, "the people here in the Sheriff's Dept. are just great to work with."

A member of the Crawford County Sheriff's Dept. since May, Jean works by herself covering a second shift from 4 p.m. to midnight patrolling Crawford County roads. She worked previous to her road assignment as a dispatcher and "turnkey" with the department. On her Wednesday

and Roscommon counties and portions of Oscoda, Kalkaska, Otsego, and Montmorency counties.

Hospital health care will be tremendously improved when the expansion and remodeling project is completed. Among the most significant improvements being included are:

—Radiology services will provide a full range of non-cardiac vascular procedures.

—Fluoroscopy under general anesthesia.

Many friends enjoyed the refreshments, complete with a beautiful two-tiered Anniversary Cake decorated in yellow and gold, which centered the table where the anniversary couple were seated. Candles and yellow napkins completed the color scheme.

The Coffee Hour at St. John Lutheran Church on Sunday, October 15th, was a special time for Sally and Wesley Kumpula when the congregation honored them with an early observance of their Golden Wedding Anniversary.

After two meetings and numerous changes and expansions, R.O.C. Shelter Workshop will be dedicated Saturday in its new facility.

The workshop located on Pioneer Hill in Roscommon was funded by a state grant and donations from the surrounding communities.

The R.O.C. Workshop was started in 1970 with seven clients and one staff person. In those eight short years, it has expanded to serve 150 clients and employs 27 permanent staff.

Sister Mary Hilda, R.S.M., explained that the hospital's service area has grown to a size that makes many parts of the existing facility inadequate to meet present demands. Structural improvements will also correct deficiencies cited by the State Fire Marshal's office.

The Emergency Room area will be greatly improved and expanded. The laboratory services will be significantly increased to meet a more demanding area need. Hospital improvements are also expected to eliminate costly ambulance transfers to other out-lying hospitals.

Jack Witter, Director of Development, this week reported that \$117,000 had been raised within the "Hospital Family". That figure includes pledges from hospital employees, the medical staff and the Hospital Auxiliary.

Even though the official fund-raising drive will terminate on December 8th, ongoing direct mail efforts will continue until the goal is met.

Area residents are urged to "show their willingness to give. The campaign topped the 40% mark late last week with pledges still being received. Campaign officials are available to answer any and all questions, and area residents may call 517/348-2355 for information.

The "physical foundations for expansion have been laid," - what's needed now is a response from residents served by the hospital to meet a commitment for hospital services now being designed to improve "a foundation for life."

## From Our Corner ...

The eighth annual Grayling Booster Club bash is now history, and into the books it will rank along with the best in the past seven years of its existence ... possibly to rank this one of the best stems from the fact that the highlight of the evening was the official presentation of the \$10,000 check the board voted to give to the Mercy Hospital expansion, earmarked for Pediatrics ...

As usual, Jack Alef, Grayling's answer to Bert Parks, kept the group entertained and the program running as smooth as a pig's ear ...

Fred Bear was the main speaker, and brought forth a few anecdotes. He was also honored with a plaque, and Booster Club jackets (summer weight) for remembrance for all he has done in the past in helping the club in their many projects ...

The annual bash is primarily to have a party for all the members, to get together, a token of thanks for their support to the Board of Directors during the past year ... but, also it signals the change in the officers of the board ...

We tip our hat to the outgoing officers: Irv McIsaac, Jim Bendig and Harry Miller. Larkin Baker remains, for a job well done in keeping one of Michigan's biggest Booster Clubs for Youth constantly on the move to better things ...

To the new officers: President, Bill Duke; Vice-President, Eugene Case; Secretary, Russ Owens, and Baker who takes over as Treasurer, we wish you well, and know that any of your decisions will be made in the best interest for the youth of Crawford County ...

During the evening, we were trying to get some pictures of the doings ... one appears on page one, we hope to have more in next week's issue ... but what we mean by all this, while trying to be a photographer, we found out we had missed the chow line ... so, we made a frantic appeal to the kitchen if the ol' fellas could have a bit of the portion of prime rib he had missed ... Jeannie heard our plea and did right smart in slicing some delicious beef, we didn't care for potatoes (they're fattening) ... this just proves it is always nice to know the owner of the establishment where you partake in the goodies ... we promised we'd stop by the Timber Room real soon.

† † †

One last bit, and we almost forgot, it is a must that you put one evening aside next week, either Thursday or Friday, and attend the Grayling Rotary Club's annual Minstrel Show at the high school. It is the only time of year that you will be able to see (in public that is) some of our businessmen, teachers, etc. doing a pretty good job of being comedians, and singers ... it's a truly entertaining evening ... for heavens sake don't miss it ... in this day and age it's hard to find something to laugh about ...

† † †

We haven't been to Traverse for quite awhile so there is no way we can mention anything about the doings of T. J. and her sister Stef, and haven't talked to our California family so don't know how Amber is doing, so guess we will call it quits for tonight ... have a nice weekend ... it looks like we will have to hope for a long Indian Summer, surely we have had no fall ... here it is nearly the day of the pumpkins, witches and goblins ... and after that, watch out ...

## The Bible Speaks

from Calvary Baptist Church

### The New City From Heaven

Revelation 21:9

Exact details of the new Jerusalem which shall descend from Heaven to the new eternal earth are given in Revelation 21. This will be the eternal abode of the saints of God.

The descend already stated in verse 2 is repeated in verses 9 and 10. The glory of God will light the city and it will glow like a diamond, verse 11. The city will be guarded by a wall, verse 12, which will be about 200 feet high, verse 17. The 12 angels at the gates to the city, verse 12, appear to be honor guards.

The gates will be named after the 12 tribes of Israel, Verse 12. The gates will be pearls, verse 21. The wall will be jasper, verse 18, and will glow like a diamond, verse 11.

The foundation of the city will be in 12 layers of beautiful color and named after the 12 apostles of our Lord, verse 14, 19, 20. The first layer will be jasper, or crystal clear like diamond. The second layer will be sapphire or blue in color. The third layer will be chalcedony, or sky-blue with a mixture of other colors through it. The fourth layer will be emerald, or bright green. The fifth layer will be sardonyx, or red and white. The sixth layer will be sardius stone, or a reddish to honey color. The seventh layer will be chrysolyte, or a transparent gold. The eighth layer, the beryl or sea-green in color. The ninth layer will be topaz, or yellow-green and transparent. The tenth layer will be chrysoprasus, or another shade of green. The eleventh layer will be jacinth, or a violet color. The twelfth layer will be the amethyst, or purple.

The size of the city will be twelve thousand furlongs sq. or roughly 1,500 miles square. In other words, you could drive from Grayling to Florida before you covered the distance of one side of the city. The top floor or

area of the city would be 1,500 miles high. The space occupied by this city would be roughly 3 billion, 375 million cubic miles.

When Jesus said, "In my Father's house are many mansions if it were not so, I would have told you I go to prepare a place for you," He wasn't kidding one bit. Verse 16.

As we enter the city the streets will be pure gold with the luster of transparent glass. Verse 21. In fact, the entire inner city will give the appearance of pure, transparent gold. Verse 18.

There will be no temple or church inside the city. God the Father and God the Son will be there in person rather than in a building. There will be no need of the sun or electricity for lighting, because God will light it. Verse 23. There will be no night there. Verse 25. All persons living on the new earth shall bring their glory and honour to the new city, verse 24, 26. In other words, they shall acknowledge that all glory and honour they possess they received from God.

There will be no sin or sinners enter in to that city. Only those who have trusted Jesus Christ as the Lamb of God who shed His blood for their sins, and consequently have their names written in the Lamb's book of life will enter Verse 27. (adv.) Pastor Barnett

## OBITUARIES

Services Held For  
Ella Short, 85

Ella Short, 85, passed away Monday, October 9, 1978, at Tolfree Memorial Hospital, West Branch. Funeral services were held Thursday, October 12, 1978 at 1:00 p.m. at Sorenson Funeral Home with Rev. Robert Taylor officiating. Interment was in Cold Springs Cemetery, Kalkaska County.

Ella Short was born in Muskegon County on February 24, 1893, moving to Frederic thirty years ago.

Survivors include three sons, Kenneth of Frederic, Harold and Adren of Pontiac; three daughters, Mrs. Erma Collins of Pontiac, Mrs. Phyllis Saper of Tampa, Florida and Mrs. Ruth Koivisto of Frederic; one sister, Mrs. Beatrice Barker of Lincoln Park; 34 grandchildren and many great grandchildren.

Pallbearers were Jerry Collins, Steven Short, Rick Short, John Dermott, Ray William and Ben Pettyjohn.

### Sunday Services For Charles E. Owen, 82

Charles E. Owen, 82, died Thursday, October 12, 1978 at Little Traverse Hospital in Petoskey. Funeral services were held Sunday, October 15, 1978 at Sorenson Funeral Home at three o'clock with Mr. Henry Eicher officiating. Interment was in Maple Forest Cemetery.

Mr. Owen was born on January 25, 1896 in Lovens Township and was a resident of Topinabee, Michigan.

Survivors include his wife, Josephine Owen (the former Josephine E. Westcott); four sons, Charles E. of Anchor Point, Alaska; Robert F. of Flint; Richard of Amdong, Korea and David E. of Glen's Ferry, Idaho; one daughter, Mrs. Jean Mattison of Freeport, Illinois; one brother, Glenn Owen of Grayling; 20 children and 8 great grandchildren.

The pallbearers were Orville Coors, Robert Seagraves, Glen Seagraves, Frank Kauna, Roger Myszkier and Kenneth Ten-niswood. Honorary pallbearers were Stanley Hummel and Homer Annis.

### Thursday Services For Douglas E. Cottenham, 11

Douglas E. Cottenham, 11, passed away after a tragic street construction cave-in on Monday, October 9, 1978. Funeral services were held Thursday, October 12, 1978 at eleven o'clock at Sorenson Funeral Home with Reverend Walter Dawson officiating. Interment was in Elmwood Cemetery.

Douglas was born September 17, 1967 in Owosso, Michigan.

He was a fifth grade student at Frederic Elementary and a member of the Boy Scout Troop 997 and Ducks Unlimited.

Survivors include his parents, John and Lauree; a brother, John Jr. and a sister, Kristine, both living at home; his grandparents, Mr. and Mrs. Harold Bouquette of Saginaw, Mrs. Merritt Cottenham of Saginaw and Mr. and Mrs. Harvey Cottenham of Chesaning.

Pallbearers were Harold Bouquette Sr., Mrs. Bouquette, Daniel Huff, James Schooltz, Russell Bouquette and Michael Bouquette.

Memorial contributions may be made to the Boy Scouts of America and/or Ducks Unlimited.

Thank you all again.

## Child Care Center

Kirtland Child Care Center announces the sponsorship of the Child Care Food Program. This program is designed primarily to provide meals to children in child care centers, recreation programs, etc.

Meals are available at no separate charge to all children 18 and under enrolled in Kirtland Child Care Center without regard to sex, race, color, religion, or national origin.

### Frederic Hobby Club

The Frederic Hobby Club would like to invite all the children of the community to a Halloween Party at the Frederic Sportsman's Club on October 30th at 6:00. There will be refreshments, games and prizes.

Survivors include three sons, Kenneth of Frederic, Harold and Adren of Pontiac; three daughters, Mrs. Erma Collins of Pontiac, Mrs. Phyllis Saper of Tampa, Florida and Mrs. Ruth Koivisto of Frederic; one sister, Mrs. Beatrice Barker of Lincoln Park; 34 grandchildren and many great grandchildren.

Pallbearers were Jerry Collins, Steven Short, Rick Short, John Dermott, Ray William and Ben Pettyjohn.

Other cash donations were Mrs. Evelyn Nugent, Mr. and Mrs. George Lodge, Mrs. Florence Leng, Mr. and Mrs. Carl Olsen, Maggie Cross, Mr. Ace Leng, Mary Ann Hill and Molly Olsen.

To all the folks that so generously gave their time in baking all the luscious baked goods, and they are as follows:

Mrs. Cecilia Davis who helped me all day.

Mrs. Davis also gave a generous cash donation.

Other cash donations were

Mrs. Evelyn Nugent, Mr. and Mrs. George Lodge, Mrs. Florence Leng, Mr. and Mrs. Carl Olsen, Maggie Cross, Mr. Ace Leng, Mary Ann Hill and Molly Olsen.

To all the people that brought our baked goods. And last, but certainly not least; another big "thank you" to the organizations that donated cash to our Jeff Osga Benefit Fund: Au-Sable Sno-Birds, \$50; Frederic Hobby Club, \$100; Frederic Businessmen's Assoc., \$25; Frederic Fire Dept., \$25; Jim Moody, \$100 and the canisters we have collected, \$51, and to the Crawford County Avalanche for their participation during our fund raising drive.

Jeff's condition has improved somewhat. This week his spirits are good and says he'd like to come home.

The Osga family would like to extend their deep appreciation to everyone at this time of need.

That's what is so great about living in a small town. We aren't just a town full of people, we are one big family, glad to help when and where we can! That's what friends are for, and the Osga family sure have a lot of nice friends.

Thank you all again.

## YOUR WEEK AHEAD By DAMIS

Forecast Period:

October 23 - October 29

Do not invest nor expand this week. They will try to force you into impulsive decisions. Play both ends toward the middle.

Taurus

Apr. 20-May 20

Don't accept help from the opposite sex, it will be offered. Dangerous strings are attached.

Gemini

May 21-June 20

Apparently you are heading toward outbursts that could add fuel to the fire. It seems as though you are too demanding of a very close associate.

Moondchild

June 21-July 22

Someone is about to throw cold water on your long term plans. They are enjoying the luxury of a controlled hallucination.

Leo

July 23-Aug. 22

Experience you gained in the past is very important for the big break coming your way. Take advantage of this change.

Virgo

Aug. 23-Sept. 22

You are now going to know where you stand, which is very important to you at this time...regarding the opposite sex.

Libra

Sept. 23-Oct. 22

Your self centeredness is disturbing to your mate or similar alliance — don't bring on new problems with the opposite sex.

Scorpio

Oct. 23-Nov. 21

A new romance is waiting in the wings to those under your sign, unattached. It will be a good thing.

Sagittarius

Nov. 22-Dec. 21

Don't step out of character. It shows in your chart. You are in a rare mood to join a new group or organization.

Capricorn

Dec. 22-Jan. 19

You are coming on too strong with those in authority. Guard what you have to say.

Aquarius

Jan. 20-Feb. 18

Here we go again — playing "cat and mouse" games with the opposite sex. It's your mood.

Pisces

Feb. 1

"Our congregation has committed itself to continue to be a Church caring for other people and sharing the good news of Jesus Christ." That was the message expressed last week by Paul Weber, Pastor of Mt. Hope Lutheran Church, when it was learned that financial pledges had exceeded the "Program of Progress" goal established for the purpose of building a new church.

The need to expand became a necessity when membership increased from 292 members in 1975 to approximately 470 at the present time.

The week-long campaign began October 2nd when the church congregation held a

"kick-off" dinner, during and after which almost \$118,000 was pledged toward the construction of a new church. The financial objective was \$90,000 and the "Challenge Goal," according to Pastor Weber, was \$105,000.

Tentative location for the new church is at a site located some two miles north of town.

Some 150 church members attended the kick-off dinner after which a week-long campaign was conducted seeking financial commitments, spanning a three-year period. "We're trying to look out and reach out," commented Pastor Weber. And it looks like the church and its' congregation is doing just that ...

### Fall Awards Banquet

by Rita Fay, 4-H Program Asst.

The Fall Awards Banquet will be held Thursday, October 19th, starting at 6:30 p.m. at the Rhinoceros Elementary School All Purpose Room. Leaders, parents and 4-H members from Roscommon and Crawford Counties are invited to attend.

A program has been arranged for an evening of family enjoyment. This is an important night inasmuch as it gives recognition to our 4-H youth and leaders who participated in 4-H projects in 1977-78. Special awards will also be given out.

All 4-Hers are asked to attend to share in a night of 4-H activity. If you have not received a letter, contact the Cooperative Extension Service office or call 654-3343.

## Skyline, Gel-Tel's Communications Center Serves Area and Military

GENERAL TELEPHONE OFFICIALS—Lois Reagan, Northern Division Manager of Alpena and Tom Trenary, Central Office Supervisor of Grayling are shown looking over the AUTOVON monitor that is connected directly to Washington, D.C. (Avalanche Photo)

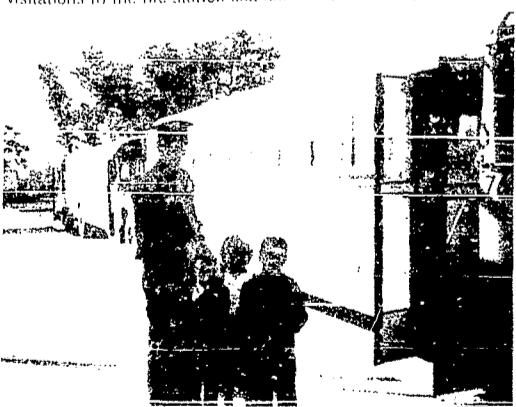

BILLING TOLL CALLS—Trenary, left, with Eldon Norman of Grayling, check the electronic tape unit that handles all of the toll calls that go through Skyline. Tapes are sent to Muskegon each day by courier. (Avalanche Photo)

SHERIFF VISITS SCHOOL—On Tuesday, October 3, Curt Haas visited Grayling Elementary's fourth grade to welcome them to the year Junior Deputy program. You see from left to right, Lynn Williams, who had the program last year and said it was great; Kim Burpee and Billie Jo Harcourt who are taking the program now; Bobbie Jo Harcourt who will be participating in it in a couple of years, and of course, Curt Haas.

Larry Akers has organized this year's program which will last from now until May 21, 1979, which is graduation day. Each week a different speaker talks to our students about safety with fire, automobiles, guns, and many more. Also included will be visitations to the fire station and sheriff's department.

SCHOOL BUS SAFETY—On Tuesday, October 10, the Grayling Elementary Kindergarten and first grades were presented with a School Bus Safety Program by Trooper Fox from the Houghton Lake State Police post.

Trooper Fox, using a toy bus, showed each class the proper way to get on and off a bus and how to cross safely in front of a bus. After the presentation, each class was given the opportunity to practice getting on and off a real bus and crossing a real street.

The Grayling Elementary children and staff would like to thank the Houghton Lake State Police Post and especially Trooper Fox, for this excellent program, a program that will hopefully encourage good bus and street safety habits.

### Bits O' Talk

by Fay Bovee

Mr. and Mrs. Jerry Owens were able to spend ten days in Rapid City, S. Dakota, visiting her brother and wife, Mike and Sherrie Hoffman and new baby, Jeffrey. Mike is stationed at Ellsworth AF Base. The Owens did some sightseeing in the Mount Rushmore area while they were there.

Mr. Josephine Owens was a guest of Ethel Ferguson while she was in Grayling during funeral services for her husband, Charles Owens. Mrs. Owens will be moving to Illinois to live near her daughter and husband, Mr. and Mrs. Jack Mattison. Her children were all here for the funeral, Bob from Flint; David from Idaho and Charles from Alaska.

Mr. and Mrs. Edward Martin of Lansing spent the weekend at their Lake Margerie home and also visited their daughter and husband, Don and Sarah Morath in Gaylord.

Mrs. Marge Hildebrand visited her brother and wife, Mr. and Mrs. Harold Mohlenhoff, in Andrew, Iowa, for a week.

### Fun Night at Houghton Lake Playhouse

The Mid-Mitten Chapter of the Sweet Adelines wishes to invite everyone to a Fun Nite to be held at the Houghton Lake Playhouse on Saturday, October 28, at 8:00 p.m.

There will be a number of special acts to entertain everyone: the Roscommon "Oompah" Band will be one of the main features as well as acrobats, clowns, etc.

The admission is \$2.00 for adults, \$1.00 for children under 12. Tickets may be obtained from any Sweet Adeline, and at the door. Y'all come and have a good time at our Fun Nite with Sweet Adelines.

.

Skyline, which is General Telephone's communications center for Northern Michigan, sits atop a hill some 6 miles south of Grayling, and at one time was a strategic part of AUTOVON, the U.S. military communication system which serves as a constant watch dog against invasion of the Northern Hemisphere.

Due to more sophisticated methods of military communications, the AUTOVON system at Skyline is being reduced since 1972, however, from 1965 to 1972, Skyline served with about 60 other AUTOVON stations. The priority system allows essential calls to preempt less important ones.

There is someone on duty around the clock. Computers tell attendants when circuits are not working. If there is an overload, calls can be rerouted to another station. If a circuit at Skyline fails, a monitoring station in Washington, D.C. knows about it in 30 seconds. There is a direct line to the Washington station.

The building, constructed like a fortress, handles all of General Telephone calls as well as some of the Michigan Bell system. Bell has its own electronic gear as well as antenna, but is serviced by General's employees at the site.

Constantly changing electric equipment making smaller components allows the facility to take on more areas of service. At the present there are some 400 to 500 thousand toll calls billed per month, these being put on a tape and sent to the main office in Muskegon.

At present there are 14 employees at Skyline. The building is self contained, and has a 30 day supply to sustain the employees without any outside assistance. They have dried food stored to feed the workers as well as a 300 foot deep well to supply water. There is also a 90 day supply of spare parts.

In case of fire, the building is equipped with numerous tanks of Halon gas which automatically removes oxygen from the area to extinguish the flames.

If electrical power fails, Skyline can operate for eight hours on batteries that are constantly being charged, and in case of longer power outage, there are two huge generators, for which there is a 7,500 gallon fuel supply on hand.

The building houses a classroom to handle 6 people who come from all over to attend 8 week courses on the ever-changing electronic AUTOVON system. Of the 8 weeks, the last two are actual on the spot training.

For area users, the company is in the process of changing from dialing 120 for long distance calls to just 1.

## Homecoming this Saturday Viking Aerials Sink St. Ignace, 27-20

by Joe Schrader

Grayling High posted its second gridiron season victory and first MHS-conference win last Friday when the squad traveled to St. Ignace and outlasted the Fighting Saints, 27-20. "Our kids were really up for this contest," commented Head Coach Bill Klinger after the win. "It was just a great team victory, and I believe a great team concept jelled during last week's win."

In the first quarter, the Vikings jumped into a 6-0 lead when quarterback Skip Olson engineered a 35-yard TD drive that ended when Rocky Tobin plunged into the endzone from four yards out. The extra point attempt failed. The Saints charged back to know the score at 6-6 during the quarter.

With Rocky Tobin back in at quarterback because, according to Klinger, "we felt we could throw deep against them," he hit Bill Luckstead on an 18-yard scoring strike and a Skip Olson to Luckstead two-point conversion pushed the Vikings back into the lead, 14-6. The Vikings halted St. Ignace after the ensuing kick-off, then QB Tobin launched a 67-yard pass to Luckstead again and the Vikings were ahead, 20-6. With two minutes remaining in the half, the Saints scored again to narrow the Viking advantage to 20-13 at the intermission.

The only scoring in the 3rd quarter occurred when Tobin hit Luckstead again on a 40-yard scoring strike. Todd Dunckley added the point after to push the score to 27-13. Just before the contest ended, St. Ignace scored again and the final ended up, 27-20.

"Our defensive unit played an inspired football game," Klinger commented. Matt Mahaney, Bill Luckstead, Steve Cebabaca, and Mark Kibbe all recovered Saint fumbles. Joe Ireland picked off two passes to round out six turnover recoveries for Grayling. Klinger credited Chuck Spencer and Dan Illery who provided excellent scouting reports on St. Ignace.

Grayling will host the Rogers City Hurons this Saturday afternoon in the school's annual Homecoming Game.

In JV action, Grayling's record now stands at 3-3, following a 26-13 loss to the St.

Ignace team here at home last Thursday. The Saints tacked 20 points on the scoreboard in the 4th quarter to record the victory. John Juntrum scored on an 8-yard run and Scott Hale sprinted for a TD from 48 yards out to account for the Viking scoring.

The Grayling Freshmen squad faced the Johannesburg-Lewiston Cardinals last week and recorded a 22-8 victory. Danny Luckstead and Brian Yoder were the leading ground gainers for the Vikings while Craig Collier played a strong defensive game, according to their Coach Mike Klinger. The team travels to Charlevoix to face the Red Raiders on Wednesday.

### Alumni News

By Clara Sorenson

for 78 is Betty Failing Miltink. We have chosen her for her 31 years in the school office. She has all of her schooling here, from Kindergarten on through Graduation at G.H.S. in 1941.

Her husband, Floyd, started his school years at Beaver Creek,

graduating at G.H.S. in 1941.

They were married in 1947.

Their three children followed in their footsteps at G.H.S.: John, class of '66; Sandra, class of '68; Beth Ann, class of '70. A real G.H.S. Alumna family. We are thankful for

Betty.

She started working in the school office in the fall of 1941 making out report cards, collecting hot lunch money, typing exam papers. Keeping attendance records, a lot of typewriter ribbons, ink and paper.

Time out for family came in 1947 to 1948 then back to work.

In her later years she was Bookkeeper for the General Fund and President, Alacay's Good Natured.

With a pretty smile made Betty a favorite of all of us who worked with her. She was Treasurer for the G.H.S. Alumni Association and acted on the board. She retired in February '78, a much earned time to herself now enjoying her family. I miss her in the office, but the new workers who have replaced Betty and Nita are great.

Saturday night is her night. Grayling will shine on Betty.

### Frederic School News

On Thursday, October 12, 1978, Mr. Steve Olson, a laboratory technician from Mercy Hospital, and father of one of the sixth graders, came to visit Mrs. Siders' science class.

Mr. Olson gave an interesting talk on the circulatory system after which everyone had the opportunity to type their blood.

There were many questions and everyone found it an extremely interesting experience.

### Visits Frederic Students

Mr. England is a custodian-maintenance man at the Frederic Elementary School. He came into Mrs. Makalev's room to tell us about his job.

Mr. England starts work at 7:00 a.m. and gets off at 3:30 p.m. During the day he fixes things that need repairs, he cleans the school and he takes care of the school yard.

Mr. England has a contract

that says how much he is paid for rains, sick days he has, and what kind of insurance he has when the people vote on millage that decides how much money there is for Mr. England's contract.

It was very interesting to have Mr. England visit our room. We want to thank him for spending his time with us.

## BIDS WANTED

Sealed bids will be received by the Excelsior Township School District #1, Crawford School, Box 388, Route 1, Kalkaska, MI 49646 until November 4, 1978 for a 1976 Chevy 16 passenger, certified bus. Bids will be opened during the regular School Board Meeting, Nov. 6, 1978 at 8:00 p.m. Details and further information can be obtained by calling Bob Pollington, 258-2962.

The Excelsior Township School District #1, Crawford School reserves the right to reject any or all bids or to accept the bid that in their opinion is in the best interest of the Excelsior Township District #1.

S/S Bonnie J. Justice, Secretary of the Board.

## Gal Joins

[Continued from page 1]  
night off, Jean teaches a class in Juvenile Delinquency at Kirtland Community College.

Her previous police experience includes work for the Women's Division of the Detroit Police Department. Her husband, Joe, is a former Detroit Police Officer, now disabled from police work by back injury. He works for Kirtland Community College as well.

Certified by the State, Jean hopes to continue her work eventually, on a full-time basis with the Sheriff's Dept. Thirty years old now and with a 2-year old daughter, Katie at home, she represents a fresh new feminine look in a career and occupation once thought reserved for men only.

## Kiwanis News

Eugene E. Ochsner, a Rotarian from Johannesburg, Mich., gave the program at the Kiwanis meeting Monday. Mr. Ochsner, a retired DuPont Plant Manager, is a Rock Hound, Archeologist and Hopi Indian Cultural Authority.

His program, a slide talk, entitled "Moods of the Grand Canyon" was based on a personal hiking experience to the Supai Indian Reservation.

He has two sons in the National Park Service, the elder one being on the staff at the Grand Canyon.

## AARP To Meet

Crawford County Chapter #168\* of the American Association of Retired Persons will hold their October meeting at the Senior Citizens Center at 7:00 p.m., Monday the 23rd. Argota Kirkham has an interesting program planned, and there will be refreshments available.

All persons 55 years of age or older are invited to attend.

## "Rotten Day" Now History

BACK STAGE—Gussy Konopnicki applying make-up to Scott Lattimer in preparation for his performance in "You Were Born on a Rotten Day". (Photo courtesy GHS Yearbook)

The local production of the Christopher Sergel comedy hit, "You Were Born on a Rotten Day" is now in the past. Students at Grayling High School presented this light hearted play as their first production of the season this past weekend.

Though the audiences were very small and the dialogue was somewhat vague in places, those who were in attendance for the three evening run seemed well entertained. Though it appeared from time to time that the lead actor was having difficulty, he was cleverly and expertly bailed out by his co-actors, and as a result, the performance appeared smooth to the audience.

Early next week the acting company of Grayling High School will go into production for their second show of the season, a presentation of the Broadway and movie hit, "The Rainmaker" to be presented the first weekend in December.

## 4-H Programs

Many people in the community have offered their time and services as leaders to help develop new 4-H programs. Some of the classes available are as follows: power rockets, cooking, horticulture, horses, fossils, good grooming and personal appearance, scuba diving, solar energy, dressing dolls for needy children's Christmas, many Christmas projects lasting for three week sessions, arts and crafts, painting, skiing, archery, sandcrafting, bowling, teaming of veterinary science and library science.

The 4-H sign-up was an overwhelming success. Anyone interested in signing up or for more info, please call Rita Fay at 225-6043 or Carolyn Boone at 348-0367.

Letter to the Editor

I would like to thank the people responsible for our Girl's Basketball Team getting new uniforms and some new equipment for raising the score board working as well as the P.A. system. Believe me, it was a pleasure to stand and say the Pledge of Allegiance.

The Avalanche coverage is pretty good this year. Let's hope they keep it up.

The girls are working hard and playing even harder. Why not come out to cheer them on, letting them know that the community is behind them all the way. It's a great way to spend an evening.

## Lovells Township Zoning Commission

A public meeting of the Lovells Township Zoning Commission will be held in the Township Hall on Monday, October 30, 1978 at 7:30 p.m. to add sheet #18 T28N, R1W, due to a typographical error in description of No. 3 which follows:

That portion of the SW/4 in Section 19 between Twin Bridge Road and the east line of Section 24 T28 R2W on the north side of County Road 612 measured north 300 feet from the right of way line.

## Road Commission Minutes

October 5, 1978

A regular meeting of the Crawford County Road Commission held in their office in Grayling. Vice-Chairman Ervin E. Richter presiding. Present were Commissioners Ervin E. Richter and Grover Cason. Manager Charles Fox, Secretary Lorna Bernard. Absent were Chairman LeRoy Millikin, and Engineer Ron Hernke.

The minutes of the last regular meeting were read. Grover Cason made a motion to accept the minutes, seconded by Ervin Richter. All in favor, motion carried.

The Manager and Board discussed the signs within the county. At this time, Grayling Township is the only township to have committed themselves to pay the 50% for their signs. The need of more signs are being put on priority, for further study.

Mr. Giss appeared before the Board regarding the improvement of Stephan Bridge Rd. Ron Hernke, Engineer, has already sent a letter to Bernie Fowler, Grayling Township Supervisor, with an estimate of \$15,000.00 for the improvement. The Board has agreed to pay the 50% allowed on the improvement of the road.

Applications for a night man will be checked and one will be selected at the next regular board meeting.

The need for sand was discussed by the Board and Charles Fox was instructed to get estimates for the coming year.

A request was received to pave the West North Down River Rd. (West of the Business Loop 75). The Board instructed that the party interested contact the Township Supervisor.

Because of the busy agenda, the Board is requesting an appointment be made when appearing to address the Board.

A report was made on the progress of the construction projects and due to the inclement weather, it has been going very slow.

There being no further business, Grover Cason made a motion to adjourn, seconded by Ervin Richter. All voted in favor, motion carried. Meeting adjourned.

LeRoy Millikin, Chairman  
Lorna Bernard, Secretary

### Fitz tries big con game

Richard Milliman

Herewith some random ruminations aenent the Michigan election campaign, currently floundering toward its inexorable denouement on Nov. 7 (and who says I watch too much Howard Cosell on football TV?)...

If State Sen. William Fitzgerald succeeds in his quest for the governor's chair this year, he will have pulled off one of the great political con games of all time.

Reference is had to what appears to be his main campaign theme—Fitzgerald means business. The senator is constantly lamenting the loss of jobs in Michigan, the loss of payrolls, the loss of industrial development within the state. And he blames his opponent, Republican Gov. Milliken, for the whole thing.

The record, however, puts quite another tint on Michigan's problem of industrial growth. The biggest problem facing industry in Michigan—according to survey after survey—is the heavy financial burden placed on job producers by the unemployment compensation and worker's compensation laws and interpretations.

Those expensive laws have been written by the Michigan Legislature, which has been in complete control of Sen. Fitzgerald's Democratic party for several years; those onerous interpretations have been permitted to stand by the controlling party in the Michigan Legislature—the same Democratic party of which Sen. Fitzgerald bears the standard.

And Sen. Fitzgerald has been a member of either House or Senate for eight years now; if he has been so concerned about the loss of industrial jobs, why has he not led the fight to tighten up the unemployment compensation and workers' compensation system to make it conducive to job creation?

Why does Michigan still grant unemployment compensation to workers who quit voluntarily and to retirees? What about payments to workers injured during horseplay on the job, or, as in a recent case, to a worker's family when he was killed while going across the street from his place of employment to a private restaurant? We lament his death, but is his employer responsible?

Sure, property taxes in Michigan are sometimes heavy, and for most small businesses, the single business tax,

which was a Milliken promotion, is unjust and disheartening. But the primary reasons for most business discontent are unemployment and worker's compensation. Fitzgerald's Democratic party, and the unions which are supporting him, want to liberalize these laws even further.

Fitzgerald means business? If it wasn't such a serious matter, that political con game would be downright laughable.

A couple of Republican candidates on the statewide Michigan ticket deserve a better fate. Mel Larsen, who is running for secretary of state, built a creditable record in the Michigan Legislature, and Steve Bransdorfer, who is running for attorney general, has a sound record in both the legal and public service arenas.

The problem is neither one has a chance. Larsen is opposing Democratic incumbent Richard Austin, and Bransdorfer's opponent is Democratic incumbent Frank J. Kelley. Both Austin as secretary of state and Kelley as attorney general have generally turned in good, sound performances in their jobs. Both will most likely win in a breeze; opposing them at the polls is a thankless job, as both Larsen and Bransdorfer are discovering.

When you get right down to it, Michigan is fortunate to have such capable persons as Austin and Kelley in those sensitive jobs, and Michigan is also, fortunate to have persons as dedicated and capable as Larsen and Bransdorfer who are willing to offer themselves as alternatives.

It hasn't always been so, and it won't happen every time. So count your blessings while you have them.

Then we get to the virtual plethora of candidates (see how Cosell croeps in?) for the educational boards in Michigan—the state board of education, and the governing boards for University of Michigan, Michigan State University and Wayne State University.

Try a little game at the next session at the coffee klatch, or bridge table, or golf course: See how many of your friends can name even one-quarter of the 16 candidates for these eight jobs. Can you?

Keeping these important positions as tag-along elective posts is ridiculous. There ought to be a law against it.

#### Music, Music, Music

Have you been hearing about "Roses in the Winter Time?" Hopefully, the children have been singing our new inspiring song to you. It is the song that will identify us all as Crawford-Ausable Elementary School children. We love the song and the message it brings.

Have the children questioned you about the volume control of the T.V. set yet? If they have, please be patient as we are still learning the difference between loud and quiet, and up and down. (Do you really want the T.V. set turned up so do you want it to stop, ask your child.)

We are moving at a fast pace in Music Class this year. Already the Kindergarten children are studying the 2, 3, and 4 beat patterns. The First graders are learning many different rhythmic patterns as they move with the beat. By the way, ask your first grader to explain, "Circle Round Zero."

Second, Third, Fourth and Fifth graders have reviewed the beat and rhythmic patterns and are learning hand signals for the music syllables. This may seem complicated to parents right now, but when you see it at work, we hope you will understand. Hand signals, so far, help us to sing a song without any sounds coming from our mouths. We use our inner hearing. Each grade will progress slowly, but according to grade level.

We are playing lots of singing games at all grade levels. The best news about the singing games is that the upper grade children are now finding it possible and reasonable to hold hands with partners without complete humiliation. We want them to enjoy singing games and learn from them, but most of all we want them to remain children as long as possible. They are wonderful!

The couple honeymooned in Nashville, Tenn., and are now living in Oliver, Michigan.

Carol Thompson of Grayling, sister of the bride, was the Matron of Honor. Bridesmaids were Connie Brown of Westfield, Karen Lecat of Davison and Linda Miller of Grayling, and Sharon Galloway, niece of the bride, of Davison, served as flower girls. The Matron

of Honor wore a brandy peach color and the bridesmaids wore ginger color floor length gowns of old fashioned cameo styled with a high neckline. Each carried silk, long-stemmed ginger color peonies with peach accent flowers.

Michael Galloway of Davison served as Best Man; Danny Brown of Westfield, Jerry Lobbs of Davison, Wayne Edly of Lansing were groomsmen. Philip Galloway, nephew of the bride, from Flint, was junior usher, and Mike Galloway and Tim Galloway were honorary ushers.

The reception was held at the Church Fellowship Hall. A three-tiered wedding cake and grooms cake, made by Mary Goss of Grayling, was served. Judy Pierce of Iudington, formerly of Grayling, presided over the guest book.

The couple honeymooned in Nashville, Tenn., and are now living in Oliver, Michigan.

## Kirtland Small Business Advertising Seminars

This fall, as in 1977, Kirtland Community College is scheduling a series of four Seminar courses on Advertising. Classes commence Thursday, October 19th from 1:00 to 4:30 p.m. and continue each Thursday through November 9th.

The courses offer unique instruction for small business operators and managers on how to plan and implement effective advertising programs, how to analyze and schedule media and how to determine advertising budgets. These are only a few of the many subjects to be covered in the course.

The instructor for the Seminars is James Macpherson, who recently retired from the advertising agency and marketing profession in both Chicago and Detroit, and now resides in the Roscommon area.

One credit hour is given upon completion of one of

### Final Meeting of Christian Summer Church

The final meeting of the officers of the Christian Summer Church which worships at the Bear Lake Community Center on M-72 at East Bear Lake Road, was held at the home of Mr. and Mrs. Leslie Hamelin, Saturday, as reported by the President, Mrs. Hamelin.

This congregation meets from Memorial Day Sunday in May through Labor Day weekend in September. The permanent residents, cottage owners and weekly vacationers have found here a warm, Bible-centered teaching and fellowship. The children's sermon is an attractive feature, a coffee hour follows the morning service, and the "Sacrament of the Lord's Supper" is administered monthly. Each Sunday night a Bible Study and Hymnsing is conducted in one of the homes of the parish. The Book of Philippians was the subject. Two baptismal services were held in the waters of Bear Lake at the Harry Kull residence, when twenty-six adults and youth received the Sacrament, and two children were dedicated.

Pastor Glenn and Mrs. Frye have been parish leaders for the last three seasons.

Seven years ago the services were promoted by the Michelson Memorial United Methodist Church of Grayling and sponsored by several churches of the community. Mr. and Mrs. Hyrel Feeman, Bear Lake residents, dreamed and have never ceased to work to provide this Christian fellowship which has drawn increasing response and cooperation. At their fiftieth wedding anniversary, the congregation presented the Feemans with a treasured Bible for their faithfulness.

Not only is the Christian Summer Church self-supporting, but it has purchased a piano for the Center, the American and Christian flags for the worship services, a complete Communion Service, and contributed to scholarships for full-time Christian workers on mission fields at home and abroad, and to the fund for transporting needy senior citizens to their dinner centers. The pastor and wife appreciated a generous gift at the close of the season.

There has been joyous cooperation in preparing the hall for the services each week, in preparing coffee, cookies and punch for the fellowship hour, and in calling in homes of the community. The congregation has enjoyed dedicated musicians and singers from the Kalkaska and Grayling communities and Leslie Hamelin often plays for the services as well as while the congregation assembles. Mrs. Ross Donnelly, the caretaker, has been most helpful.

The following officers were elected to serve for the 1979 season: Ardath Hamelin - President; Harry Kull - Vice President; Inabelle Brockelbank - Secretary; David Rosenberg - Treasurer; Shirley Bumpus; Edwin Ekkens; Catherine Feeman; Hyrl Feeman; Helen Ferguson; Vilbur Fishburn; Dr. Glenn Frye; Madelle Graham; Willet Hammond; Carter Rosenberg; Barbara Smith and June Witmer.

## Applications For U.S. Academies

The deadline for those Northern Michigan young people who are interested in submitting applications for nomination to U.S. Service Academies is October 31, 1978. Congressman Philip E. Ruppe announced today.

In announcing the reminder, Ruppe said any youth between the ages of 17 and 21 is eligible for the class which will enter July 1979, provided he or she is a legal unmarried resident of the 11th District. Those interested in applying should write Congressman Ruppe at 203 Cannon House Office Building, Washington, D.C. 20515.

The candidates most qualified will be nominated to four of the service academies — Military (West Point), Naval, Air Force and Merchant Marine.

Appointment to the Coast Guard Academy is made solely on the basis of examination and prospective adaptability to military life. There are no Congressional appointments or geographical quotas. Those who are interested in the Coast Guard Academy are encouraged to write directly to the Director of Admissions, U.S. Coast Guard Academy, New London, CT 06320.

Ruppe also said the Great Lakes Maritime Academy (GLMA) should be of special interest to young people in Northern Michigan. The GLMA is a division of Northwestern Michigan College and offers a three-year program which prepares young men and women to serve as officers aboard Great Lakes vessels. Those interested should write the Dean of Admissions, Northwestern College, 1701 Front St., Traverse City, Michigan 49684.

## Sweet Adelines Activities

Mid-Mitten Chapter met for their weekly rehearsal Wednesday, October 11th, at the Roscommon High School Choral Room. Much work was done on show songs and show meeting set up at the home of Mary Ann Eckery on Thursday.

Jean Hess reported on the Sweet Adeline International Convention she attended last week in Los Angeles, California. She reported 6500 women in attendance, fabulous accommodations, terrific competition and shows, and lots of "smog". The Irish Hill Chapter from New York State took first place honors in the Chorus Competition. These girls lost their director a few short months ago and worked their hearts out to win for him, and they did themselves proud.

The next two weeks rehearsals will be held at the Houghton Lake Playhouse in preparation for our "Fun Night" to be held October 28th. Remember the date ... and if you have other places to go that night, (and we understand we are in conflict with the Saints and Sinners Dance) start your evening with us and then on to the dance!!!

## District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court last week:

Ricky D. Henderson, 18, of Battle Creek, demanded preliminary examination on two charges, the first, breaking and entering an unoccupied building, the second, unlawfully driving away the auto of another. The 12-day period was waived and a \$1,000 cash/surety bond set.

Michael Allen Kirby, Montreal, Canada, age 25, demanded preliminary examination on three counts, the first, larceny in a building, the second, receiving and concealing stolen property over \$100 and lastly, use of credit cards without consent of the cardholder. The twelve-day period was waived and a total bond of \$3500 was set.

Joseph M. Haskin, 25, of Grayling pleaded guilty to two charges, the first, malicious destruction of property, the second, leaving the scene of a personal injury accident. He was placed on 48 months probation for the two charges.

Michael John Demoinie, 16, Frederic, pleaded guilty to a charge of receiving and concealing stolen property, was placed on probation for 12 months and ordered to make restitution.

Robert Lee Bowling, 37, of Manton, pleaded guilty to DUIL, his second offense. He was placed on probation for 24 months, sentenced to 60 days in jail and his driver's license was suspended for one year.

Karl Ray Graham, 32, Port Huron, pleaded guilty to transporting a loaded gun in a vehicle. He was placed on probation for 24 months with hunting privileges denied throughout the entire period.

Judy Graham, 32, Port Huron, pleaded guilty to a charge of transporting a loaded gun in a vehicle. She must serve a 24-month probation period and no hunting license will be issued her during that period.

## Attend the Church of Your Choice

The game is almost over, and this is the critical moment. The final score hangs on what Ken does with the ball. If he is successful, he will be the hero of the day. If he isn't, people may not entirely blame him, but even so . . .

Throughout our lives, even if we never touch a football, we cannot avoid coming up against moments when the "final score" depends upon our actions.

Decision-making is never easy, especially when the decision involves others as well as ourselves, and major decisions almost always do. This is when we need a place to go where we can empty our hearts and souls and let the peace and understanding which is God's flow into us . . . that place is the church.

## Students Learn About Safe Bus Evacuation

by Joe Schrader

About 1000 local elementary school students attended training courses last Thursday aimed at teaching safe bus evacuation techniques. The program was jointly sponsored by the Crawford County Sheriff's Dept. and the American Automobile Association (AAA) and Chuck Gordon (AAA), conducted the programs. Larry Akers coordinated the sessions for the Sheriff's Dept.

Students from Grayling's Elementary & Middle schools participated, along with students from Frederic Elementary. Teachers and bus drivers serving those schools also took part in the program.

The program was designed to instruct bus riders in the most expedient and safest evacuation of a school bus in the event of an emergency. Chuck Gordon termed the training session a "most serious lesson" and prefaced on-site demonstration procedures with all students by showing three training films, all of which related to the important safety message.

The sessions were designed to provide a little "fun" through cartoon-type films, for the kids, mixed with the vital procedural lesson that could prove life-saving in the event of a bus emergency.

### Bits O' Talk

by Fay Bovee

Mr and Mrs LeRoy Millikin attended the Antique Car Swap held in Hershey Pa., the week before last.

Mr and Mrs Lee Langott (nee Mary Claire Gardiner) of Charlotte, N.C. spent from Monday to Thursday in Michigan. Mary spent the time with her parents, the Vern Gardiners, and Lee attended a meeting in Grand Rapids.

The Grayling High School Marching Band consists of 61 members under the direction of Jeff Bennett. Mary Stewart and Terry Lee are this year's field commanders. Bennett's wife, Jayne, assists with the color guard and drill.

### Senate Candidate Visits Grayling

"I challenge you to get involved in this election, because its outcome will be affecting you for years to come." These were comments made by Mitch Irwin, 37th State Senate candidate while speaking to both teachers and students at Grayling High School.

Irwin spent Wednesday campaigning throughout Crawford County in his bid to fill this seat which is being vacated. Beginning with his morning question and answer session with Grayling High School Seniors, Irwin continued his full day of activities with a brief visit with Rotary Club members, a dutch treat lunch with local Democrats at the Chief Shapenagon Motor Hotel followed by an entire afternoon of door-to-door campaigning in the city of Grayling, Ward one (1).

"I feel the best way to let people know me is to visit them at home. It gives me an opportunity to introduce myself, and it gives voters a chance to ask me any questions they might have. This personal involvement is the cornerstone of my campaign and approach to problem solving. I pledge this same approach when elected."

Irwin also made a brief campaign stop in Frederic at the Timberview Adult Care facility. On his trip Irwin was accompanied by his Crawford-Otsego County field coordinator, Laurie E. Nichols, of Waters.

Irwin will return to the area on October 21st, where among other activities, he will attend the Appreciation Day Dinner honoring "Bud" Hunter with U.S. Senator Don Reigle.
